Endorsements

“Thank you for a wonderful honeymoon at Castle Fictoria. The staff cared for us and made our holiday unforgettable. The room was comfortable and a pleasure to make our week-long home. We’ll definitely be coming back” – Mr & Mrs Jones, England

“Away from the distractions of the big city, our conference was the most productive and creative we’ve ever held. The venue had plenty of space for break-out sessions and the catering was excellent. We particularly appreciated the attention that went into making unusual and delicious dishes for those with special dietary requirements” – George Smith, managing director, Sell-U-Stuff Incorporated

“It’s rare that we find such a great venue within walking distance of the nature trails we visit. We had planned to hire a car to travel further afield, but with the castle so well-located, we didn’t need to travel any further than we could walk to see the most amazing wildlife.” – Peter Ermintrude, group organiser, Bedhamford Bird Watchers Club.

Local attractions

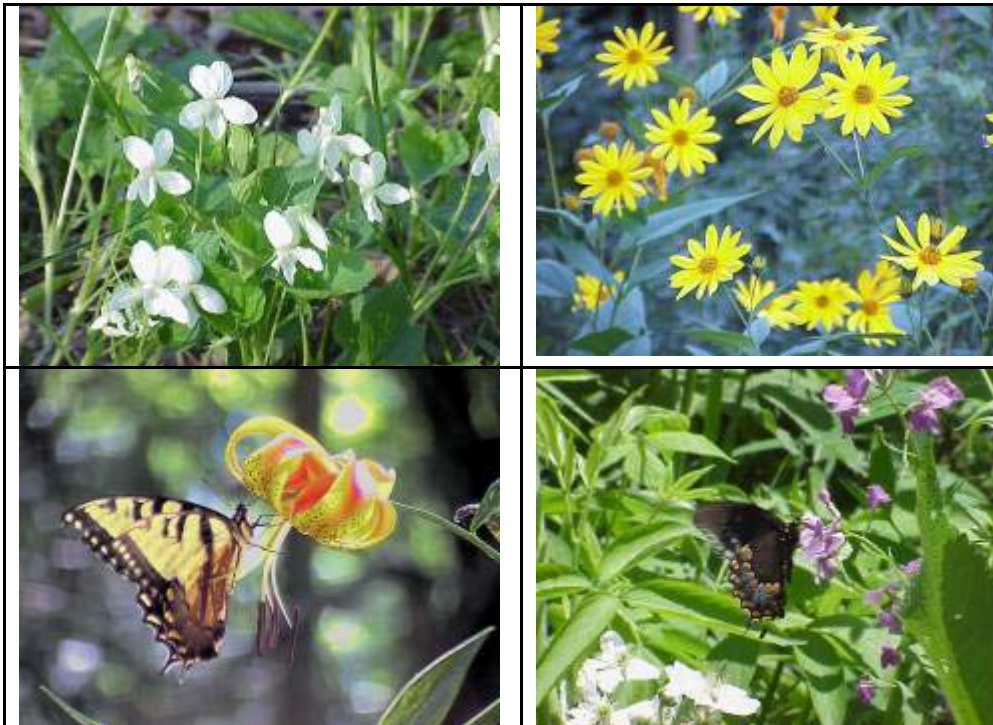

Fictoria Motor Museum

The Fictoria Motor Museum has 105 vintage cars and makes a great day out for the whole family. During the Summer, the museum hosts test-drive days, where you can try taking the motoring legends out for a spin around the museum’s extensive grounds. The museum also offers a unique ‘old-time’ taxi service and will collect you from the Castle in one of its vintage cars for US\$20. Contact reception for booking information.

Fictoria Nature Trail

The Castle is set within a four mile nature trail, with clearly marked out paths which will take you through scenic countryside with a rich variety of plant and animal life. The Castle hosts several conventions throughout the year for nature photographers and ornithologists, but those who have a less formal approach to nature appreciation will also delight in the area. The marked nature trail represents an excellent introduction to the Castle's surroundings, but there are ample opportunities to safely explore the fields beyond the marked path.

Fictoria Peaks

A short car ride will take you to the foot of Fictoria Peaks, an outstanding range of mountains suitable for experienced hill-walkers and mountaineers. Beginners can enjoy the view from the foot of the mountain, and the lakes and fields that bed the valley. We are pleased to arrange guided bus trips for parties of more than five. Please phone us to plan your excursion before you arrive.

In the summer, boats can be hired for use on the lake.

This could be the most beautiful place in the world: don't forget your camera!

Fictoria Forest

An hour away by car, Fictoria Forest is a historic Redwood Forest and it has appeared in many Hollywood movies as the romantic backdrop to stories about elves, goblins and pixies. Look out for the mythical Fictoria Fairy, said to live in the woods and to grant three wishes to the first traveller to spot her each day. Nobody has claimed to see the fairy for years, but 1957 Fictoria Mayor Chuck Brython attributed his election victory to his third wish. He never revealed what the other two were.

How to reach us

We're 30 miles from Fictoria International Airport by car. We will be pleased to arrange a mini bus to collect you from the airport.

If you require driving directions, please contact us and we will write directions for you based on where you will be travelling from.

We also have an extensive business centre, offering fast internet access, telephone and fax facilities as well as computer rental with all popular office software pre-installed. You can hire a portable computer for use in your room or can use our full-size machines in the business centre. We can organise telephone and video conferencing for you, and can provide most types of stationery.

Many of our clients are regular visitors. They value the tranquillity they can enjoy at Castle Fictoria, and the opportunity to focus entirely on their business needs for the duration of their stay, without outside distractions.

Some of our meeting rooms are mobile-phone-free zones. If you're here to concentrate on important business problems, we recommend you consider a booking in one of these zones to avoid any disturbance.

We can cater for groups of up to 200 people, with room sizes starting at ten people. You pay a price based on the number of delegates attending and the number of days you require the meeting room. Your guests are of course welcome to extend their stay, paying for their accommodation only outside the conference duration.
